Forres Area Community Trust

Working with local communities to benefit the area

Company Objectives - as set out in FACT's constitution, the Memorandum & Articles of Association

The company has been formed to benefit the community of the Forres Academy catchment area, as at September 2011 ("the Forres area"), which comprises the postcode units set out in appendix 1 of our Articles of Association, with the following objects:

- To advance community development through the promotion of trade and industry within the Forres area for the benefit of the general public
- To advance the health and wellbeing of the residents of the Forres area
- To prevent or relieve poverty particularly among the residents of the Forres area
- To advance education and in particular to promote opportunities for learning for the benefit of the general public
- To advance the arts and/or culture
- To provide within the Forres area recreational facilities, or organise recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended
- To relieve those in need by reason of unemployment, particularly among residents of the Forres area, for the public benefit in such ways as may be thought fit, including assistance to find employment
- To relieve those in need by promoting training, particularly among residents of the Forres area, and with particular reference to skills which will assist the participants in obtaining paid employment
- To help young people, particularly those resident in the Forres area, to develop their physical, mental and spiritual capacities, such that they may grow to full maturity as individuals and as members of society
- To advance citizenship and/or community development (including the promotion of civic responsibility and the promotion of the voluntary sector and/or the effectiveness or efficiency of charities)
- To encourage, stimulate and support volunteering principally in the Forres area
- To advance environmental protection and improvement in the Forres area through the provision, maintenance and/or improvement of public open space and other public amenities and other environmental and regeneration projects (but subject to appropriate safeguards to ensure that the public benefits so arising clearly outweigh any private benefit thereby conferred on private landowners)
- To advance heritage and/or preserve, for the benefit of the general public, the historical, architectural and constructional heritage that may exist in and around the Forres area in buildings (including any structure or erection, and any part of a building as so defined) of particular beauty or historical, architectural or constructional interest
- To promote, establish, operate and/or support other similar schemes and projects of a charitable nature for the benefit of the community within the Forres area

But such that the company shall do so following principles of sustainable development.
